The New York Skyport Marina is located on the East River at E. 23rd Street and FDR Drive (FDR Drive to the 23rd Street exit).

By subway: The #6 Train to 23rd Street leaves you at Park Avenue. This is a five-block walk to the Marina, so our recommendation is to take a cab over from the subway.

By bus: The bus (M23), but please remember to allow enough time to arrive for boarding.

By car: If you are driving there is a public parking deck located at the Marina.

For more information on directions, call the Marina at (212) 822-8573.
